

## **QUARTERLY ISSUES REPORT**

### **WHYY-TV**

#### **FOR THE PERIOD OF APRIL 1st, 2005 – JUNE 30th, 2005**

The license of station WHYY-TV has determined that the following issues were of importance to the Delaware Valley community during the past three months and has aired the following programs to address these issues:

#### **1. WAR**

##### *FRONTLINE "ISRAEL'S NEXT WAR?"*

4/5/05            10:00 PM        60 MINUTES            DOCUMENTARY

Despite the prospects for renewed peace in the Middle East, Frontline investigates how a small group of extremists in Gaza could raise the prospect of war in Israel.

##### *BATTLEFIELD BRITAIN "Boudicca's Revolt – 61AD"*

4/14/05            9:00 PM            60 MINUTES            DOCUMENTARY

Part 1 of 6 Father and son historians Peter and Dan Snow travel to British battle sites to unearth the stories of those who fought, the weapons and tactics used and the effects these conflicts had on British history. Dramatic reenactments are woven together with computer-generated images to recreate the scale of conflict and complete a vivid picture of the times.

##### *AMERICAN EXPERIENCE "The Fall of Saigon"*

4/25/05            9:00 PM            60 MINUTES            DOCUMENTARY

President Nixon vowed to respond with force if North Vietnam broke the January 1973 cease-fire agreement, but when he resigned the presidency, his promise went with him. This film recounts the North Vietnamese aggressive attack that quickly brought an end to the war and led to Hanoi's victory – 30 years after they launched their struggle for national independence.

##### *AMERICAN EXPERIENCE*

5/2/05            9:00 PM            60 MINUTES            DOCUMENTARY

Commemorating the 60<sup>th</sup> anniversary of the end of World War II, this documentary examines the final year of the war, including the rationale for using the atomic bomb, and offers first-hand recollections from both American and Japanese civilians and soldiers.

## **WAR (CONT.)**

### *TIME OF FEAR*

5/29/05      2:00 PM      60 MINUTES      DOCUMENTARY

During World War II, more than 110,000 Japanese Americans were interned in military camps – with nearly 16,000 relocated to poor, racially segregated southeast Arkansas. Through rare home movies of the camps and interviews with Japanese Americans and Arkansans who lived through these events, the film presents a tale of suspicion and fear, of resilience and of the deep scars left by America's long and unfinished struggle with race.

### *AMERICAN EXPERIENCE "VICTORY IN THE PACIFIC"*

5/29/05      6:00 PM      60 MINUTES      DOCUMENTARY

Commemorating the 60<sup>th</sup> anniversary of the end of World War II, this documentary examines the final year of the war, including the rationale for using the atomic bomb, and offers first-hand recollections from both American and Japanese civilians and soldiers.

## **2. POLITICS**

### *TALK TO THE GOVERNOR*

4/7/05      8:00 PM      60 MINUTES      PUBLIC AFFAIRS

Host Nell McCormack Abom talks with Governor Ed Rendell live from Harrisburg about the issues important to Pennsylvania residents.

### *KARL ROVE: THE ARCHITECT*

4/12/05      10:00 PM      60 MINUTES      DOCUMENTARY

The man President George W. Bush deemed "the architect" of his re-election is also the most powerful advisor in the White House. This program traces the political history and modus operandi of the man who's been inside every political decision of the Bush administration.

### *TALK TO THE GOVERNOR*

6/30/05      8:00 PM      60 MINUTES      PUBLIC AFFAIRS

Host Nell McCormack Abom talks with Governor Ed Rendell.

### **3. HEALTH/HEALTHCARE**

#### *NATURE "THE VENOM CURE"*

4/3/05            8:00 PM            60 MINUTES            DOCUMENTARY

Poisons, toxins and venoms are the defense and attack mechanisms of the natural world, yet scientists are finding impressive new uses for them – new drugs, new cures and new ways to save lives.

#### *KEEPING KIDS HEALTH "Medical Confidentiality for Minors"/"Safety In and Around the Home"*

4/23/05            9:30 AM            30 MINUTES            DOCUMENTARY

The program explores the reasons why a doctor may honor a child's request under, certain circumstances, to keep medical records confidential from the parents. A home safety expert and a safety-trained state trooper discuss the most important steps to take to protect children from injury in the home and on the highway.

#### *FRONTLINE "The New Asylums"*

5/10/05            10:00 PM            60 MINUTES            DOCUMENTARY

The program goes deep inside Ohio's prison system to present a searing exploration of the complex and growing topic of mentally ill people behind bars.

### **4. ENVIRONMENT**

#### *COASTAL CLASH*

4/17/05            5:00 PM            60 MINUTES            DOCUMENTARY

As development swallows up miles of California coastline, a battle is raging around the fundamental question: Whose coast is it, anyway? This program takes an in-depth look at the struggle between public verse private land and environmental interests.

#### *FARMING THE SEAS*

4/17/05            6:00 PM            60 MINUTES            DOCUMENTARY

This program travels the world, from British Columbia and Mexico to Thailand and the Mediterranean Coast, to explore what's at stake as the aquaculture industry spreads across the globe.

## **ENVIRONMENT (CONT.)**

### *JOURNEY TO THE PLANET EARTH "Future Conditional"*

4/18/05      10:00 PM      60 MINUTES      DOCUMENTARY

The concluding program investigates the link between environmental change and the future health of the planet, visiting such divergent locales as the Arctic, Mexico, Uzbekistan and Palm Springs to show that the health of every person living on the planet is interconnected.

### *NOVA "ScienceNOW"*

4/19/05      8:00 PM      60 MINUTES      DOCUMENTARY

Tom and Ray Magliozzi, hosts of Car Talk on 91FM, join host Robert Krulwich to explore what could be the waves of the future: fuel cells. How do the fuel cells and hydrogen-powered cars work? And could they help solve some of the environmental issues facing America today?

### *NATIONAL GEOGRAPHIC'S STRANGE DAYS ON PLANET EARTH "Invaders"/"The One Degree Factor"*

4/20/05      9:00 PM      120 MINUTES      DOCUMENTARY

Edward Norton hosts this four-part environmental detective series that aims to create a new sense of urgency about the state of the planet by detailing the interconnect between how humans treat Earth and what that it turns does to our environment and ecosystems. "Invaders" investigates alien species of plants that are destroying entire landmasses. "The One Degree Factor" studies the far reaching effects of global climate change.

## **5. EDUCATION**

### *DECLINING BY DEGRESS: HIGH EDUCATION AT RISK*

5/23/05      9:00 PM      120 MINUTES      DOCUMENTARY

Students, parents, professors and administrators from four different colleges across the country weigh in on the promises and perils of high education in America today.

**WHYY'S broadcast schedule consists of children's programming Monday-Friday from 7:00 AM-5:00 PM for ages 6 months to teenagers.**

**WHYY'S Home College Service is broadcast seven mornings from 1:00-6:00 AM. Viewers can earn college credits at home.**
